

UNITED STATES DISTRICT COURT
DISTRICT OF NEW JERSEY

United States of America,

Crim. No. 23-825 (MEF)

v.

Shandale Grady,

Defendant.

ORDER

The Court intends to use a jury selection method closely analogous to the one that was used in a recent prior trial, and that was described at *United States v. Healy*, 2024 WL 246427. Modifications to the approach described in the referenced order will be described by the Court at the final pre-trial conference. The referenced method will entail a written jury questionnaire and also questions to be posed verbally by the Court. A draft of the questionnaire and a set of relevant draft questions are attached, so that the parties can make any relevant comments or objections.

IT IS on this 1st day of July, 2024, so **ORDERED**.
